Bursary proposal

Thursday 23rd August 7.45pm, for review

This CLP proposes to support any member for the purposes of political education or engagement.

The following criteria to apply:

1. This is available to any paid up active full member of the CLP.
2. Active members considered to be regular canvassers, regular attendees of meetings, back office support (not exclusively, but in the executive's collective opinion).
3. The CLP will consider applications up to £500 per individual for a period spanning up to two years. Individuals may apply multiple times in any two-year period up to the maximum of £500.
4. The activities can range from attendance at meetings, lectures, travel if related to political education or any activity that the Executive consider worthy of support.
5. Applications to be made in writing to the Secretary for consideration by the Executive before any activity is commenced.
6. Applicants are encouraged to submit no more than 300 words in support of their application, but the executive reserve the right to request more information should this be needed.
7. The executive's decision is final and the decision cannot be appealed.
8. As there is currently no way of judging uptake, the executive will not set a cap on the number of applications, but the treasurer has final say on commitment to support depending on the CLPs net surplus funds.
9. This scheme can be withdrawn without notice at any time by the executive.
10. The CLP shall reimburse any payment after the activity has occurred subject to the above criteria being met.
