

#### CLP Candidates Section 4 (Bexley, Bromley, Greenwich and Lewisham)

##### Brenda Dacres

- Brenda Dacres is a Labour councillor activist and community campaigner from Lewisham.
- Brenda's parents were part of the wind rush generation that came over from Jamaica to Lewisham. She has always lived in the area and first got involved in community activism after, as a single mother, she campaigned for better funding for her son's primary school.
- Since then she has become a councillor in New Cross, graduated from Jo Cox's Women in leadership programme and serves as the executive member for national association of Black, Asian and Ethnic Minority Councillors. In 2021 Brenda was made Deputy Mayor for Lewisham with responsibility for community safety.
- Brenda is standing to ensure that South East London gets the resources and support it needs as we enter crucial elections next year. She will campaign for greater diversity across our candidates as well as investing in campaigns that will best reflect our communities.
