

CAC – Miriam Mirwitch

Hi, my name is Miriam Mirwitch. I'm Vice Chair (Mentoring) of Walthamstow CLP and Trade Union Officer for the Jewish Labour Movement.

Over the past decade I've been proud to campaign with incredible comrades across our city. Together we can deliver transformative change for Londoners. I was a list candidate for Labour at the 2021 London Assembly elections and chaired Young Labour nationally between 2018 and 2020.

I'm standing to be on the Conference Arrangements Committee to ensure that as many delegates from our constituency and affiliates movement are heard and can join in the important debates that need to be had ahead of our local elections next week.
