

KATHRYN JOHNSON for LONDON CAC

CLP: **Hackney North & Stoke Newington CLP**

Membership: **A071525**

Email: kathrynbjohnson@gmail.com

I am Hackney North CLP's Policy Officer and Labour group Observer and Chair of Hackney Downs BLP. I was previously the constituency Women's Officer since Autumn 2017 organising a wide range of in depth discussions including on housing, precarious work and social care resulting in CLP policy and motions to Conferences.

I was a Hackney North CLP delegate to the 2018 Annual and Women's Conferences. Since rejoining the Party in 2015, with 25 years previous membership, and despite significant caring responsibilities, I have been a dynamic organiser in my Branch and CLP.

Prior to Covid, I organised open air meetings at local landmarks on abolition of the slave trade, plastic pollution, the New Cross fire 1981 and the resulting surge in Black organisation to demand justice.

I have significant experience in the Labour Movement particularly representing London Voluntary and Community TGWU members at work and on union committees and conferences.

I also worked in local government on environmental management and quality of local services. I negotiated mergers to found 'Sustainable Hackney' and continue to be an active environmentalist. I have contributed to maintaining a high profile for work on the climate emergency in the CLP and the Labour Group.

I am committed to unity of the left, fair, inclusive, open and democratic Party structures, processes and conference arrangements that support Labour Party work for the many.

Please vote for **CONOR BOLLIN** and **SOPHIA NAQVI** for the Conference Arrangements Committee as well.

KATHRYN JOHNSON
