4	CLP nomination for Deputy Leader	The election addresses from the two candidates Bridget Phillipson and Lucy Powell had previously been circulated to members. Disappointment was expressed at the limited choice of candidates. Bridget Phillipson was proposed by Dave Lovelace and seconded by Gerald Dale. Lucy Powell was proposed by John Cove and seconded by Paul Walker. Following on from a lengthy and respectful debate Bridget Phillipson was nominated after a secret ballot.

5	LGC 2025 candidate selection process	The Chair updated members on the selection process for candidates for the 2026 Bexley Council elections. A number of wards in the north of the Borough have completed their candidate selection and further meetings are scheduled including one for October 1st that will include the OBS ward of East Wickham. A further appeal was made for members to put themselves forward as candidates even if it is only for consideration as a paper candidate in a non-marginal ward. Applications are particularly being sought from women members as some candidacies are having to be held to ensure a gender balance. Members of the Executive Committee are more than happy to have a discussion with anyone who may be interested.
6	Verbal officer reports	There were no officer reports this evening
7	AOB	- TG provided feedback on a positive response received to our stall at the fresher's event at Rose Bruford college. Students were encouraged to take advantage of the term time registration option.
